Hello All:

As always, feedback, feedback, feedback.....  
Please inform us of records adjustments and such....

Please pass along or inform us if you know of the coaching records request sent out a couple of weeks ago. I have been getting some feedback but there are many more coaches out there with 100 wins or more.

It's time to get these guys the recognition they deserve for such a demanding and time consuming job.

Thanks as always for all your feedback and hard work and Happy New Year.
